WELCOME

Join Gilligans for an unforgettable 11-day, all- American experience - combining the excitement of NASCAR with Las Vegas, legendary Route 66 with the wonder of the Grand Canyon, plus plenty of real America in between.

Our adventure begins by flying to the 'Entertainment Capital of the World': Las Vegas, Nevada! Here, you'll enjoy some free time by day, entertainment by night and TWO brilliant days at the Las Vegas Motor Speedway attending October's NASCAR weekend!

After the racing is over, we depart for a few days on Route 66, with a visit to the Hoover Dam, a day marvelling at the sheer size of the Grand Canyon and visits through small towns across America's Main St – Historic Route 66.

Travelling by mini van, it allows the freedom to stop and explore, talk to locals and dine like regulars on America's most famous highway.

This is a tour designed to give you a solid dose of NASCAR, with a taste of Route 66 and the nostalgia and that comes with it.

WHAT TO EXPECT

WEATHER

October is the transition from Summer to Fall. We can expect warm days at the track (28-32 deg C) Sunscreen, a hat and a refillable water bottle are essentials. Expect cooler temperatures in Williams & the Grand Canyon

TIPPING

Tipping is expected, not optional. Budget 18-20% in restaurants and bars, a few dollars for housekeeping and porters, and small change for drivers.

AT THE TRACK

Long days on your feet, big walking distances and loud cars. Bring ear protection, comfortable shoes and a small clear bag — most venues enforce a clear-bag policy.

MONEY AND PACE

Card is accepted almost everywhere, but carry some cash for tips. The pace is relaxed with free time built in around the racing.
